

VPN Password Reset Form

<https://vpnreset.kerala.gov.in/>

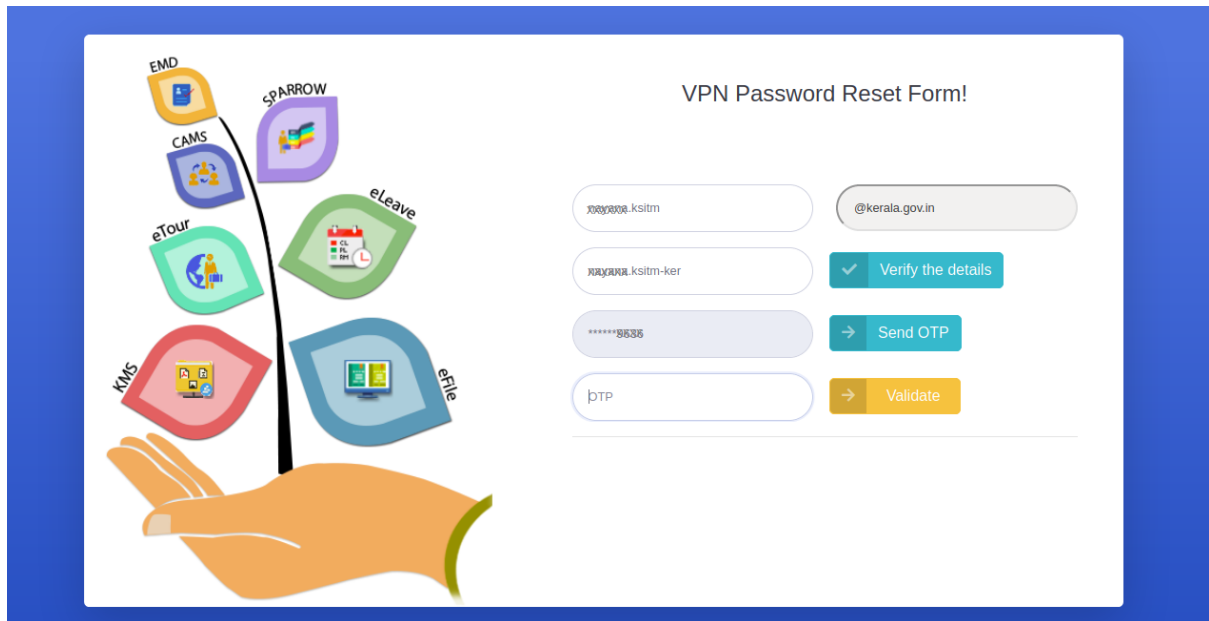

The screenshot shows the 'VPN Password Reset Form!' interface. On the left, there is a graphic of a hand holding a tree branch with several colorful icons representing different services: EMD (orange), SPARROW (purple), CAMS (blue), eLeave (green), eTour (light green), KMS (red), and eFile (blue). The form itself has two input fields: 'Email Address' and 'Username'. The 'Email Address' field contains '@nic.in'. Below the 'Username' field is a button labeled '? Verify the details'.

1. Enter your official email ID (name.pen number@kerala.gov.in/@nic.in) and VPN username (name.pen number-ker) and click on the 'Verify the details' button.

The screenshot shows the 'VPN Password Reset Form!' interface after the first step. The 'Email Address' field now contains '@kerala.gov.in'. The 'Username' field contains 'name.pen number-ker'. Below the 'Username' field is a button labeled '✓ Verify the details'. At the bottom, there is a new input field for a password, labeled '***** 密码重置', and a button labeled '→ Send OTP'.

2. On verification, last four digits of phone number will be displayed. Click on the 'Send OTP' button. Automated OTP will be send to your mobile number and mail. If mobile details are not found, OTP will be send to your mail.

Confirm Password

Reset Password Clear

4. On validating the OTP, Password and Confirm password text boxes will be displayed where you can enter the new password. Password must be atleast

8 characters long and include uppercase, lowercase, number and special character.

5. Click on 'Reset Password' button.

The image shows a screenshot of a 'VPN Password Reset Form!' within a blue-bordered window. On the left, there is a graphic of a hand holding a tree branch with several leaves, each labeled with a system name: EMD, SPARROW, CAMS, eTour, eLeave, KMS, and eFile. The form itself has a green status message 'Password Reset Successfully'. Below this, there are input fields for 'Email Address' (containing '@nic.in') and 'Username'. A teal button with a question mark icon and the text 'Verify the details' is positioned to the right of the 'Username' field.

6. After the password reset successfully, new password will be sent to your mobile via SMS and mail.
